ABOUT

Assalamu Alaikum, This is Srijon Ashraf Zim. I am from Khulna, Bangladesh currently living in Dhaka, Bangladesh. Student of Daffodil International University (DIU) dept. of CSE. I am a knowledge seeker guy. I love to learn new things. From my childhood I was very passionate about technologies related computer science for this I choose to build my future career in this section. Beside studies I am a freelancer graphic designer. I have been doing graphic design since 2019 and completed at least 500+ online/offline projects. I have completed courses from GoEdu (Online learning website) about Digital Marketing and SEO. So, I have also expertise in these section. Apart from this, I am a learner Web developer having understanding of HTML, CSS, JAVASCRIPT (Basic). I love to travel a lot and I have already visited more than 33 districts of Bangladesh. I want to see myself as a successful Web developer in near future.
